

Piccolingo Campaign for early foreign language learning

Commitment

Entity name

Represented by

Will, as a European network, raise awareness of all aspects related to early foreign language learning among its members in Europe.

Is aware of the importance of early foreign language learning and shares the conviction that all children, regardless of their background, should be able to learn foreign languages from a very early age.

Will support the PICCOLINGO campaign in order to help develop language awareness and skills in children of pre-school age.
